Vibration Meters			
PVH01	PVH01	Triaxial Vibration Meter AS2187.2 and DIN45669-1 Inbuilt WiFi, MQTT, SD, USB streaming, Velocity (X, Y, Z in peak and RMS), 15 min resolution,	$3,495
Options			
PVH01 HR	High resolution logging option	Logging measurement resolution down to 1 second	$2,100
PVH01 Metric	Displacement and acceleration metrics	Add measurements of velocity and acceleration	$1,900
PVH01 Mesh	Mesh Network option	Mesh network option - up to 10 hops	$2,500
PVH01 Wave	Wave recording	Option for wave recording of all 3 channels	$2,500
PVH01 USB	USB Stream Output	Stream measurement outputs through usb port	$1,500

If 2 or more options are purchased in the same transaction, a 10% discount can be applied.

Part Number	Unit	Description	RRP
Accessories			
PVH01 MP	Standard Mounting plate	Mounting plate with threaded holes for vibration sensor mounting, and 4 holes for ground mounting	$250
PVH01 C	Standard PVH01 cable	2m cable for connection between PVH and vibration sensor (Longer lengths available as special order)	$195
Sound Level Meters			
KNM01	KNM01	Class 1 sound level meter with dual channels,	$3,495
KNM01 Wave	Wave recording option	Wave recording option (32 bit or 16bit)	$2,500
KNM01 Stats	Statistics option	Measures statistics, percentiles for both channels (L1, L5, L10, L50, L90, L95, L99)	$2,500
KNM01 Mesh	Mesh Network option	Mesh network option - up to 10 hops	$2,500
KNM01 HR	High resolution logging option	Logging measurement resolution down to 1 second	$1,900
KNM01 Octave	Octave bands	Octave and fractional octave band measurements	$1,900
KNM01 USB	USB output stream	Stream measurement outputs through usb port	$1,500
KNM01 Enviro Package	KNM01, Statistics option, and wave recording	For 99% of environmental monitoring requirements	$7,476
Full package	All Options	Covering all your monitoring requirements	$14,136
